**DROUGHT & WATER
CONSERVATION**

To comply with statewide water conservation mandates, the City of Rancho Cucamonga has stopped irrigation of “non-functional” turf within some City parkways. This does not include trees and grass used for recreation, such as sports fields, school yards, and parks.

Visit www.cityofrc.us/droughtinfo for more information on water regulations and the drought.

With the funds collected, LMD 7 maintains landscaping in public areas such as turf, ground cover, shrubs, trees, trails, sprinklers, irrigation systems and the following park:
