Public Invited to Participate in Community Meeting for Future Veteran's/Armed Service Reflection Area at Central Park, Thursday, June 24th

FOR IMMEDIATE RELEASE

June 17, 2010

Rancho Cucamonga, California – We want you! Now is the time for you to contribute and share your ideas for the future Veteran's/Armed Forces Reflection Area at Central Park. Stand with those who have honorably served, their family members, and fellow citizens and participate in the development of this area of reflection in honor of our country's armed forces and veterans. When completed, the Veteran's/Armed Services Reflection area will provide an opportunity for visitors to individually and privately reflect on those who have honorably served in the armed forces, learn about the country's major wars/conflicts and honor those serving in the armed forces.

On Thursday, June 24th from 5:30 p.m.-8:00 p.m., the City of Rancho Cucamonga will host a public meeting to solicit ideas for this reflection area from the citizens of Rancho Cucamonga. The public meeting will commence with a preview of the site located near the flag poles flanking the senior and community center at Central Park. Following a brief site review the meeting will reconvene inside with a discussion led by staff and

designers from WLC Architects and RJM Design Group who have generously donated their services in support of this worthy effort. Numerous veterans, family members, veterans group representatives, current enlistees and concerned citizens are expected to attend.

The meeting and site of the proposed Veteran's/Armed forces Refection Area is located at 11200 Base Line Road on the corner of Base Line Road and Milliken Avenue.

For More Information - For additional information or to enlist in this worthy effort, RSVP to Community Services Supervisor Ryan Samples at (909) 477-2760, extension 8003.
