Work in progress - will display any temporary Applications you may have started & need to complete

These tabs still work like before - click on tab to view your related records / permits for that department

"My Records" will display all your Records / Permits for all departments instead of having to click on each individual department to view.

Click to Hide the Actions area

Saved in Cart - will display any fees you have saved to your cart to be paid at a later date. You can remove the fee from the cart by clicking on the fee and clicking remove.

Collections are like Folders - You can create as many as you like. Click on "My Records" and select permits you wish to create a collection for and click the "Add to Collections / Folders". Ex: - use them to Organize your permits by each Project
