Rancho Cucamonga Library Services Hosts Healthy RC Earth Day Celebration

FOR IMMEDIATE RELEASE

April 11, 2016

Rancho Cucamonga, California – The Paul A. Biane Library at Victoria Gardens is once again partnering with the City of Rancho Cucamonga’s Environmental Programs Division and Burrtec Waste Industries to host The Healthy RC Earth Day Celebration. The event will be an afternoon of free environmental and educational family fun in celebration of Earth Day on Saturday, April 16th, from 1:00 p.m. to 4:00 p.m. in the Bank of America Imagination Courtyard at the Victoria Gardens Cultural Center, located at 12505 Cultural Center Drive, Rancho Cucamonga.

Be one of the first 100 attendees and receive a free Healthy RC reusable shopping bag! ShredFest is back again this year for free secure, on-site document destruction. There is no limit on how many documents you’d like shredded, but you must be able to transport your documents from your vehicle to the event so bring a cart if necessary. Participants must wait in line with your documents until shredding is complete.

There will be costume characters, crafts, entertainment, games and prizes for the entire family. In case of rain, the event will be moved into the Paul A. Biane Library at Victoria Gardens.
