**Rancho Cucamonga, California** - The Rancho Cucamonga Community & Arts Foundation will host their 9<sup>th</sup> annual \$1,000,000 Golf Tournament at Red Hill Country Club on October 24, 2016. This incredible tournament not only allows participants to enjoy one of the most exclusive golf courses in the area, it provides the opportunity to win over \$1 million in awards, prizes, and gifts, all in support of needed art programs at the Lewis Family Playhouse and the Victoria Gardens Cultural Center.

Located in one of Southern California's finest and most exclusive golf courses, the \$1,000,000 Golf Tournament is a spectacular excuse to spend a day on the green in support of arts and educational programming. Participation includes breakfast, refreshments and snacks throughout the course, lunch, and a delicious steak dinner regardless if you made par or not. On top of the delicious food provided, there are numerous opportunities to win over \$1 million in prizes through raffles, auctions, on-course games, mulligans, and more. Randomly selected participants will even have the opportunity to strike it rich in our \$1,000,000 Hole-In-One opportunity on Hole #1. Join the fun and feel good doing it since all proceeds from the tournament help the Rancho Cucamonga Community & Arts Foundation in supporting performing, visual arts, and educational programs at the Victoria Gardens Cultural Center. What a great way to give back!

Founded in 1987, the Rancho Cucamonga Community & Arts Foundation's Mission is to generously support arts programming at the Victoria Gardens Cultural Center. Along with its many funding partners, the Foundation provides support to augment and support Rancho Cucamonga Community Theatre Company, the MainStreet Theatre Company offering professional theatre productions for families and schools, and sponsors headline and touring artists who perform at the Playhouse. The Foundation also presents the popular World Music Concert Series each summer in the Cultural Center's Bank of America Imagination Courtyard; sponsors an annual 3-day art show by the Associated Artists of the Inland Empire; provides mini-grants to local high school arts programs; and presents scholarships for graduating students pursuing education in the arts -- all supporting the goal of creating community through the performing arts.
