Adopt RC is for You

Show your community pride! Reach out and adopt a Rancho Cucamonga park, trail, street or community facility and help keep your city a beautiful place to live work, and play.

The Adopt RC Program provides opportunities for residents, businesses, and community members to participate in maintaining and improving the quality of life in Rancho Cucamonga by supporting beautification efforts and donating either money or time.

Get involved! Play an active role in the beautification of your community and help keep Rancho Cucamonga an attractive and friendly place to live.

By participating in the **Adopt RC Program**, you'll develop community pride and help make Rancho Cucamonga a more attractive place to live.

TWO WAYS You Can Make a Difference

Become A Donor

Life is busy, so the City of Rancho Cucamonga has created a way to adopt your favorite part of RC even when your busy schedule won't let you roll up your sleeves to be a hands-on volunteer.

Make a lasting impression and adopt a city park, trail, street or facility through an annual tax deductible donation. Donations help support ongoing maintenance and special projects that help make our city cleaner, safer and more enjoyable for everyone in Rancho Cucamonga.

Becoming a donor is easy! You can choose a specific site or allow your donation to be used where it is most needed. Contributions of any amount are welcome and donors are recognized in the following ways:

Become a Volunteer

If hands-on support is what you prefer, Adopt RC has important roles volunteers can play.

Dedicated volunteers make a valuable contribution to the safety, beauty, and sustainability of our city parks, trails, and facilities. Volunteering is also a great opportunity to spend quality time with family and friends. Consider organizing a group of volunteers for a regular outing to improve your favorite city location.

Adopt RC volunteers commit to performing routine maintenance at your adopted site once a month for one year. Volunteers receive an orientation and training to review basic tasks and safety procedures. Once the orientation is complete, you'll be ready to get started in your new role as an adopter of your favorite place in Rancho Cucamonga.

Volunteers are recognized in the following ways:

- Sign posted at your adopted site
- Recognition on the City website
- Invitation to the City's annual volunteer recognition event
- Framed Certificate of Adoption

Volunteer Opportunities

The Adopt RC Program offers three distinct opportunities for volunteers:

Parks: Take pride in maintaining your park by performing activities such as litter collection, graffiti removal, basic gardening and weeding, and cleaning benches and picnic tables.

Trails: Perform basic maintenance tasks along trail segments such as litter collection, sweep and clear pathways, remove graffiti, pull weeds, and report trail hazards such as erosion and concrete defects.

Facilities: Help keep our city centers clean and beautiful by performing exterior maintenance activities such as litter collection, painting, basic gardening and weeding, and cleaning benches and fixtures.

To sign up for the Adopt RC Program, call (909) 477-2700, ext 2037 or visit www.CityofRC.us/AdoptRC.
