

YOUR Family Resource Center

In 2006, the Rancho Cucamonga City Council created a vision of a place where the many non-profit, social service groups that provide aid to our community, would be centrally located to provide resources and information on the many services and programs that are available to families.

Transformed from the facility that was once home to the Rancho Cucamonga Senior Center, the RC Family Resource Center provides a link for over 30 non-profit organizations providing food, clothing, counseling and many more social service needs.

RC Family Resource Center
