This Exhibit is intended to serve as a guide for designing and installation of tenant signage within the Project. The specifications indicated within this Exhibit are intended to help each tenant achieve visual identification.

Tenant agrees to design, construct and install Tenant's signage at Tenant's sole cost and expenses in accordance with these Sign Criteria, as set forth below, prior to Tenant opening for business in the Shopping Center. Conformance to detailed sign drawings and specifications which have obtained the prior approval of the Landlord will be strictly enforced and any non-conforming sign must be brought into conformance at the sole expense of the Tenant erecting the same. The Landlord shall administer and interpret these Sign Criteria, which shall apply equally to all tenants of the Shopping Center.

A. GENERAL REQUIREMENTS

1. Prior to applying to the City of Rancho Cucamonga (the "City") for approval or permits, Tenant shall submit or cause to be submitted to Landlord for approval before fabrication, at least four (4) copies of detailed drawings indicating the location, size, layout, design, color and materials of proposed signs, including all lettering, graphics and logos.
2. All City approvals and permits for signs and their installation shall be obtained by the Tenant or his or its representative prior to installation.
3. Tenant shall be responsible for fulfillment of all requirements and specifications.
4. All signs shall be reviewed by Landlord and Landlord's designated project architect for conformance with this Sign Criteria and overall design quality. The Landlord and the City Planning and Building Department shall have the right to approve or disapprove sign submissions based on esthetics of design.

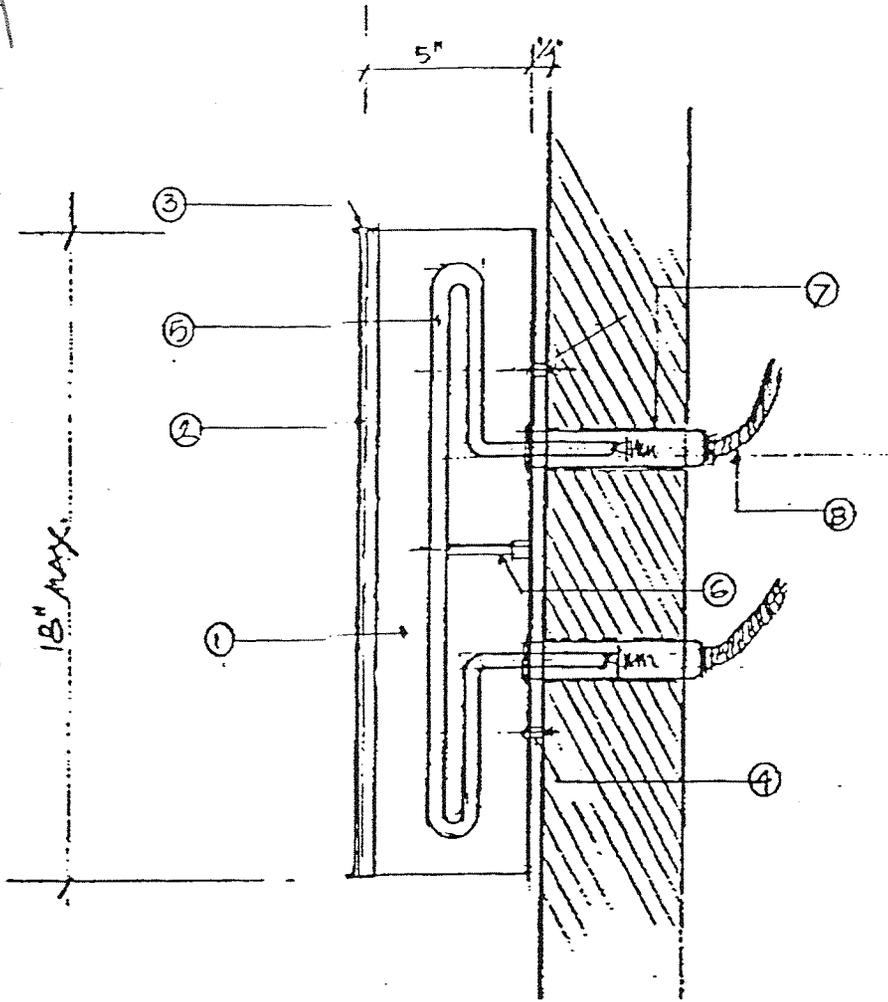

B. GENERAL SPECIFICATIONS

1. No projections beyond the sign area will be permitted.
2. Sign area is to be within the limits indicated on Schedule "1" to this Exhibit "D".
3. Letter height shall be a minimum of twelve inches (12") and a maximum of eighteen inches (18"). The Landlord may in its sole discretion approve letter height up to a maximum of twenty-four inches (24") for 8736, 8770 and 8776 A, Baseline Road. These may be allowed a logo cabinet, subject to the Landlord and City acceptance.
4. Tenant shall have a maximum of seventy percent (70%) of Tenant's store frontage width centered vertically and horizontally on a sign band, as indicated on Schedule "1" to this Exhibit "D".
5. Lettering shall be a Helvetic Medium, in single line copy.
6. Plastic face shall be #202-0 Red, Blue and White or Blue or White.

C. SECOND SIGN

If Tenant has a corner space (i.e., one side facing the Center and one side facing the street of Baseline or Carnelian), Tenant may, at Tenant's option and sole cost and expense, install a second sign facing the street, provided that all requirements and specifications as stated in this Exhibit "D" and elsewhere in this Lease are met, including obtaining City of Rancho Cucamonga approvals and/or permits.

Sign Criteria

This Exhibit is intended to serve as a guide for designing and installation of tenant signage within the Project. The specifications indicated within this Exhibit are intended to help each tenant achieve visual identification.

Tenant agrees to design, construct and install Tenant's signage at Tenant's sole cost and expense in accordance with these Sign Criteria, as set forth below, prior to Tenant opening for business in the Shopping Center. Conformance to detailed sign drawings and specifications, which have obtained the prior approval of the Landlord, will be strictly enforced and any non-conforming sign must be brought into conformance at the sole expense of the Tenant erecting the same. The Landlord shall administer and interpret these Sign Criteria, which shall apply equally to all tenants of the Shopping Center.

A. General Requirements

1. Prior to applying to the City of Rancho Cucamonga (the "City") for approval or permits, Tenant shall submit or cause to be submitted to Landlord for approval before fabrication, at least two (2) copies of detailed drawings indicating the location, size, layout, design, color and materials of proposed signs, including all lettering, graphics and logos.
2. The Tenant or his or its representative prior to installation shall obtain all City approvals and permits for signs and their installation.
3. Tenant shall be responsible for fulfillment of all requirements and specifications.
4. Landlord and Landlord's designated project architect for conformance with this Sign Criteria and overall design quality shall review all signs. The Landlord and the City Planning and Building Department shall have the right to approve or disapprove sign submission based on aesthetics of design.

B. General Specifications

1. No projections beyond the sign area will be permitted.
2. No animated, flashing or audible signs will be permitted.
3. No visible lamps or tubing will be permitted.
4. All signs shall bear the UL label, and their installation shall comply with all applicable building and electrical codes.
5. No visible raceways, crossovers or conduits will be permitted.

C. Design Requirements

1. Wording of signs will not include the product sold except as part of Tenant's trade name or insignia.
2. Letter height shall be a maximum of eighteen inches (18") and a minimum of twelve inches (12"). Logos are allowed, but the height of a Logo may not exceed the letter height of the sign.
3. Tenant shall have a maximum of seventy percent (70%) of Tenant's store frontage width centered vertically and horizontally on a sign band, as indicated in the attached Exhibits .
4. Signs shall be composed of individual, internally-illuminated channel letters. Depth of channel letters not to exceed six inches (6").
5. Color of sign is subject to Landlord approval. All letters in sign shall be of a single color; no multicolor signs shall be permitted. The palette of colors for the tenant may choose from is as follows: 2793 Red; 2051 Blue; 7328 White; 2037 Yellow.
6. If Tenant has a corner space (i.e., one side facing the Center and one side facing the street of Baseline or Carnelian), Tenant may, at Tenant's option and sole cost and expense, install a second sign facing the street, provided that all requirements and specifications as stated in the attached Exhibits, and elsewhere in this Lease are met, including obtaining City of Rancho Cucamonga approvals and/or permits.

D. Construction Requirements

1. All signs, bolts, fastenings and clips shall be of stainless steel, aluminum, brass or bronze. No ferrous metal materials of any type will be permitted.
2. All exterior signs exposed to the weather shall be mounted one-half of an inch (1/2") from the building wall to permit proper dirt and water draining.
3. All letters shall be fabricated using full-welded construction.
4. All penetrations of the building structure required for sign installation shall be neatly sealed in a watertight manner.
5. No labels will be permitted on the exposed surface of signs except those required by local ordinance, which shall be applied in an inconspicuous location.

E. Monument Sign(s)

Two(2) freestanding monument signs shall be allowed, one(1) on Baseline and one(1) on Carnelian. Each monument will be of similar design, and advertise both the name of the center ("Country Village"), as well as certain tenants in the center. The allocation of tenant names on the monument signs is at the sole discretion of Landlord. No tenant shall advertise on the monument signs without written approval of Landlord. The design, size and placement of the monument signs shall be in accordance with the attached Exhibits.
