JANE PENNY LINK PROGRAM FOR HOMEBOUND SENIORS

The Jane Penny LINK Program provides a variety of services to our homebound and isolated senior community. Our goal is to provide resources and other services so that our seniors are still "linked" to the community despite being homebound. Now, more than ever, it is important for us to have a "link" to one another! One of the ways we do this is by pairing a participating client with a volunteer caller.

Participants will receive weekly or bi weekly phone calls, birthday cards, holiday greetings, and messages of care.

If you would like to receive a weekly call or know someone that may benefit from this program, please see our contact information below.
