

BE BAT SMART

RANCHO CUCAMONGA IS HOME TO A VARIETY OF WILDLIFE SPECIES, INCLUDING BATS.

- Never approach or touch a bat.
- Make sure all doors, windows, and crawl spaces are screened to prevent bats from entering your home.
- If a bat is located in your home, contain it to a room and call Animal Services at (909) 466-7387, option 1 for Field Services.
- Immediately report an encounter with a bat, even if there was no physical contact with a person or pet.
- Ensure your pets are current on their rabies vaccines.
