

Solid Waste Rates SB1383 Rates

1. Why did my trash rate go up?

The increase is due to Senate Bill 1383, a new State mandate, that now requires all residents, and businesses, to recycle food waste and landscape waste. The increase covers the cost of additional outreach, enforcement and equipment required by SB 1383, increases to disposal and processing costs, as well as the cost of adding food waste collection services for residents.

2. What is Senate Bill 1383?

Senate Bill 1383 (SB1383) was signed into law to help reduce short-lived climate pollutants to address climate change by reducing negative emissions from food waste and landscape waste being disposed of in landfills. SB 1383 requires all residents, and businesses, recycle organic waste and requires that edible food from businesses be diverted to a food rescue organization to address food insecurity in California. 3. What if I do not want to participate, can I opt out of recycling organics?

According to SB 1383, all residential, multi-family, and commercial businesses are required to recycle organic waste that is generated onsite. The increase includes trash, recycle and organics barrel for residents, multi-family and commercial accounts.

4. Can I cancel my trash service?

No, trash and recycling service is mandatory for all residential and commercial properties within the City, per Municipal Code Section 8.17.170.

5. Is there a discounted or senior rate option?

Yes, Burrtec offers senior rate discounts. In order to qualify for the rate, you must be the primary account holder for the service location and provide proof of being 60 years old or more. An example of an acceptable form of proof of age is a driver's license or other government issued identification.

There is also a smaller container option, if your household does not produce much trash, recycling or organic waste. Please note, the barrels are 35 gallons, and the standard barrel is 95 gallons, which are significantly smaller.

6. How do I protest against the proposed rate increase?
