Boys and girls ages 3-5 will be taught the basic fundamentals of the sport. We will emphasize both teamwork and sportsmanship, which help children develop social and motor skills. This is a non-competitive league.

WE ALWAYS NEED HELP

The Pee Wee Program is ALWAYS looking for volunteer coaches. The success of this program is based on the success of our volunteer coaches! If you are interested in coaching a Pee Wee team please contact sports staff at sports@cityofrc.us.

You can complete your volunteer application at www.rcpark.com. All volunteer coaches must be approved, fingerprinting and cleared by the Department of Justice before they can begin coaching.

THINGS TO KNOW

- ALL teams are co-ed!
- Cleats and baseball pants are not required, but recommended for safe play.
- Participants will need a glove!

ROUGH PLAY

In an effort to maximize enjoyment of all participants we would like to remind you to please control the "rough play" that can sometimes occur during games and practices. It is natural for kids to want to touch, push and/or hit other teammates and opponents during the course of the game. However, this behavior is highly discouraged. We would like every child to feel involved and have a positive experience while participating in our Pee Wee Sports program. To help curb rough play it is suggested that the game be stopped to remind of the proper rules. Also, those players who consistently use rough play during the activity can be sat out for a short time during the game/practice. It is you, the parents and coaches who are a key element in making this program a success. Thank you for your support!
