

There are **parking structures located on either side (east and west) of the Victoria Gardens Cultural Center** that offer free parking for your event. The best parking would be in the West Parking structure by turning onto Cultural Center Dr. or accessing from Monet Ave. There are different entry points and they can both lead you to Celebration Hall. When in doubt, we are located in between Sephora & Forever 21, directly across from California Pizza Kitchen and Yardhouse and we have a big courtyard where the library is also located.
