community work?

CITY UPDATES

F1. Ordinance No. 1037
Prohibition Against Camping or Interference with
the Use of Public Property Including Access

March 19, 2025

Background

- Complex challenge
- Concerns raised by residents and businesses
- Access issues, shared use of public spaces, potential health and safety risks, public safety concerns
- Exploring strategies that balance the needs of the entire community

Purpose of the Ordinance

- Address concerns raised by residents and businesses
- Maintain safe and accessible public spaces
- Establish clear guidelines on the use of public property
- Align with legal rulings & state guidance
- Balance community needs with compassionate approaches to homelessness
- Regulatory framework and enforcement tool

Key Provisions

The proposed ordinance prohibits the following activities on public property:

- Storage of unattended personal property
- Setting up tents
- Lodging in public restrooms
- Sleeping or lying on benches, bus stops/shelters, or planters
- Remaining in public plazas between 10 PM - 6 AM
- Obstructing access to ATMs, EV chargers, driveways, entrances, trails
- Using restroom sinks for activities beyond basic handwashing

Implementation

- Multifaceted and compassionate approach
- Regulatory framework and additional enforcement mechanism
- Solutions Oriented Policing (SOP) Team and HOPE Team conducting street outreach
- COAST Team responding to mental health crisis

Fl. Ordinance No. 1039
Regulating the Use of Bicycles
and E-Conveyances in Public Areas

April 16, 2025

Background

- Significant rise in electric bikes (e-bikes) and other electric conveyances (e-conveyances) in public places.
- Increase in community safety concerns.
- Unsafe riding behaviors – excessive speeds, performing stunts or wheelies in active traffic, ignoring traffic signals and signs, riding without helmets, carrying multiple riders on a single device.

Background

- Increase in collisions, injuries, and fatalities nationwide.
- Increase in property damage and maintenance costs.
- Many cities have already adopted ordinances regulating e-conveyances.
- City is taking a proactive step to promote safe use of e-conveyances.

E-Bikes

- Regulated under California Vehicle Code (CVC).
- Defined as a bicycle with an electric motor of less than 750 watts and fully operable pedals.

	 CLASS 1	 CLASS 2	 CLASS 3
Max Speed	20 mph	20 mph	28 mph
Pedal Assist	✓	✓	✓
Throttle		✓	

Off-Highway Motorcycles

- Frequently mistaken for standard e-bikes
- Examples include Sur-Ron, Talaria, E Ride Pros
- Do not have operable pedals and often exceed power limits
- They are NOT street legal
- Subject to impoundment and citation if operated on any publicly-owned property
- Permitted in areas designated for off-highway vehicle recreation or private property

Key Provisions

The proposed ordinance includes the following provisions designed to enhance public safety :

- Prohibits riding a bicycle or e-conveyance in an unsafe manner on any publicly-owned property.
- Defines “unsafe manner” to include violations of state or local traffic laws, as well as behaviors that endanger the operator, passenger, motorists, other riders, pedestrians, or public property. Examples of unsafe behavior includes riding against traffic, disobeying signs, carrying passengers on single-rider devices, racing, performing stunts or wheelies, or operating without proper control.
- Prohibits the use of handheld wireless devices while riding unless operating hands-free and voice-activated devices.

Key Provisions (Cont'd)

- Restricts riding areas, including prohibiting use on sidewalks (with limited exceptions), parks (except on designated paths), landscaped areas, fields, and in City-owned parking lots.
- Clarifies rules for off-highway electric motorcycles (e.g., Sur-Ron, Talaria), which are not street legal and are prohibited on all public property unless in a designated off-highway vehicle area.
- Reinforces helmet requirements, including state-mandated helmet use for operators under 18 years old and all operators and passengers of Class 3 e-bikes, regardless of age.
- Reaffirms requirements to always yield to pedestrians when emerging from an alley, driveway, bicycle path, building or otherwise approaching upon a sidewalk or sidewalk area.

Key Provisions (Cont'd)

- Requires riders to ride in single file, and not more than two abreast except on paths or parts of a roadway set aside for the exclusive use of bicycles.
- Requires all bicycles and e-conveyances to comply with equipment standards outlined in CVC Section 21201.
- Prohibits parking bicycles and e-conveyances in a manner that obstructs pedestrian pathways or violates posted parking regulations.
- Outlines enforcement protocols, including penalties and fines, and allows for the impoundment of devices operated by minors in a dangerous manner.
- Holds parents or guardians accountable for violations committed by minors, including potential civil liability for property damage.

Implementation

- Pro-active and multi-faceted approach.
- Ongoing investments in bicycle and pedestrian infrastructure, including protected bike lanes, shared use trails, and cycle track.
- *Connect RC* Long-Range Transportation Plan includes over 50 proposed bicycle and pedestrian infrastructure improvements throughout the city.

Implementation

- Commitment to education and outreach efforts
- Longstanding Safe Routes to School Program
- Awarded Office of Traffic Safety grant to expand bicycle safety programming
- Citywide safety campaigns and public service announcements
- Bicycle Rodeos, community events, local bike rides
- Enforcement paired with community education and awareness

CUCAMONGA

Questions

?

SB 800

- Identify state bridges/overpasses that have a history of suicide-related deaths in San Bernardino County.
- Assess and determine mitigation measures to help prevent suicides at those locations. Measures include, signage and barriers.
- Develop implementation plan by Dec. 2026 and identify timelines to install measures.

PARTNER UPDATES

Rancho Cucamonga Air Quality Community Meeting #2

Attendees will receive a \$20 Visa card!

Does air pollution impact your quality of life?
Help us monitor air quality in your neighborhood!

The California Air Resources Board, Aclima, and HARC are teaming up to measure air pollution block-by-block in neighborhoods in **Rancho Cucamonga and East Ontario.**

Join HARC for a community meeting where you can:

- Share your experiences with air quality in your community.
- Help decide where to monitor pollution levels

Food provided!
