# Commercial and Industrial RESOURCE FAIR

Thursday, March 5, 2026  
11am - 1pm

Central Park  
Goldy S. Lewis Community Center  
11200 Base Line Road,  
Rancho Cucamonga, CA 91730

## Meet with energy project experts!

Get a chance to speak with industry contacts that can assist with securing incentives, programs, and even development processes for your energy efficiency projects.

City staff, economic development staff, and developers are highly encouraged to attend.

Lunch will be provided.

Registration is free!

I-REN's public sector programs are available to public agencies in San Bernardino and Riverside counties served by Southern California Edison (SCE) or SoCalGas. There is no charge to participate because we're funded by utility ratepayer funds through the California Public Utilities Commission (CPUC).
