Residents can use any of the other participating HHW collection facilities in the county. Visit www.TooToxicToTrash.com for information.

Holiday Closures:

- September 5, 2026
- November 28, 2026
- December 26, 2026

This site does not accept sharps or business waste. Please refer to the Safe Sharps Disposal article on the back of this newsletter for further information.

We accept: cooking oil, motor oil, oil filters, antifreeze, old medications, cleaners, pesticides, pool chemicals, paint, batteries, fluorescent lights, electronics, and other chemicals used around your home.

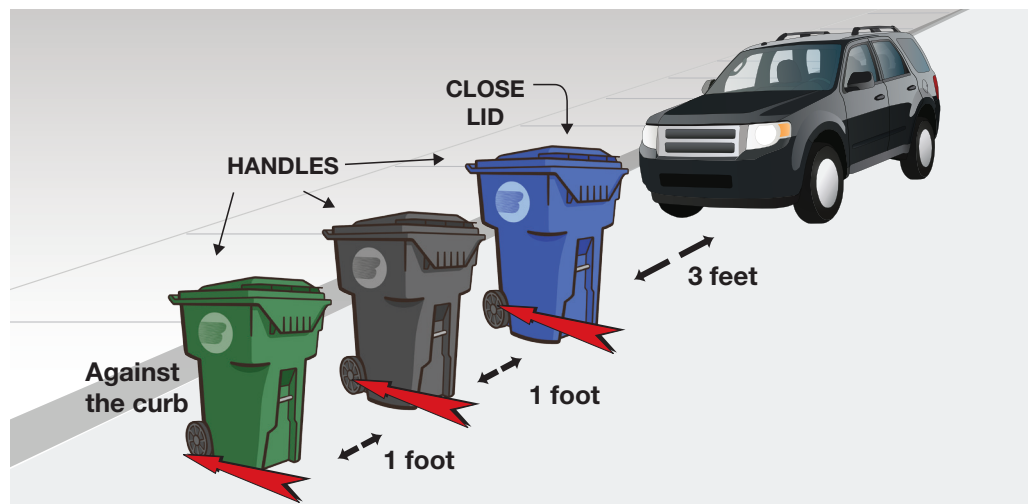

Please note: Transportation limit of 15 gallons or 125 pounds per trip. No Business Waste accepted. For more information visit www.CityofRC.us or call the Environmental Programs Info Line at (909) 919-2635.

Collection Day Reminder

On collection day, please place your containers on the street, at the curb, or near the corner of your driveway. Handles of your containers should be facing your home. Containers should be placed one foot apart from each other and placed at least three feet away from any obstruction such as a fence, mailbox, or vehicle.

Pro Tips:

- Place barrels out by 6:00 am on your scheduled service day
- Ensure barrels are accessible and not blocked
- Avoid overfilling
- Ensure recycling and organic waste barrels are free of contamination

Hot Ashes and Charcoal Disposal

One common cause for fires in trucks and containers is hot coals and ashes. Coals can appear to be cool and actually remain hot for days after use. Please allow 48 to 72 hours for charcoal and ashes to cool down before disposing of them in the trash container.

Contact Burrtec Customer Service and forward a copy of your driver's license or California Identification Card to start receiving your well deserved Senior Discount. Call Burrtec Customer Service for application and details.

Holiday Schedule

Please note that services are interrupted on the following holidays:

Memorial Day
Independence Day
Labor Day
Thanksgiving Day
Christmas Day
New Year's Day

TIPS TO PREVENT FOOD WASTE AT HOME

- **Plan ahead:** Before you go to the grocery store or order out, check the fridge and pantry for food items that need to be cooked or that you already have and do not need to purchase.
- **Serve smart:** Aim to cook and serve the right portions for the number of people you are feeding.
- **Store food wisely:** Different foods require different conditions.
- **Check your fridge often:** Keep track of what you have and what needs to be used. Eat or freeze items before you need to throw them away.
- **Use your freezer:** Your freezer can help save food and time.

Your recycling efforts contribute to the reduction of greenhouse gas emissions from landfilled organic waste. This includes methane, a greenhouse gas 80 times more potent than carbon dioxide.

REMINDER: RECYCLE RIGHT!

Tear off and keep handy to recycle right!

YOUR BARREL GUIDE - WHAT GOES WHERE?

Black Barrel is for trash

Blue Barrel is for recyclables

Green Barrel is for green waste & food waste
