

STACY HENRY
School Board President

For more than 31 years, Rancho Cucamonga has been home. My wife, Lisa, and I raised our family here, and this community shaped who we are. I've coached youth soccer and baseball, volunteered at our kids' schools, and believed that showing up for your neighbors matters.

For 14 years, I've served as a Central School District Board Member, the last four as Board President. That taught me what servant leadership means: listen first, and serve the people who trusted you. It isn't about being at the front of the room — it's about doing the work that makes life better for families around you.

I know this district because I've lived it — as a parent, coach, volunteer, and neighbor. I understand what matters most: safe streets, strong schools, smart growth, and a government that listens before it acts. My board experience managing budgets and building consensus translates directly to this work.

I'm not running because I have all the answers. I'm running to roll up my sleeves and work hard for my neighbors. I'd be honored to earn your vote to represent District 3.
