The Rancho Cucamonga Public Library Foundation is a 501(c)3 nonprofit organization. All donations are tax deductible. Tax ID: 33-0709250

The Rancho Cucamonga Library Foundation supports the Rancho Cucamonga Public Library's innovative programs and services. We believe the Library is the cornerstone of lifelong learning throughout our community and region by transforming knowledge, imagination and discovery.

The Rancho Cucamonga Library Foundation

We are a passionate and diverse team of talented, dedicated and hard-working volunteers, committed to enriching the Rancho Cucamonga Public Library. Founded in 1997 as a 501(c)3, we have demonstrated our commitment through: fundraising for programs and services, advocating at the local, state and national levels and helping to create awareness of the Archibald Library and the Paul A. Biane Library.

The Foundation is led by a hard-working Board of Directors which is appointed by the City Council. These Directors are perhaps best known for their efforts to help raise over \$5M through the popular PAL Campaign, a joint effort between the Library Foundation and the Community Foundation, to raise funds for the Cultural Center at Victoria Gardens.

To help make Rancho Cucamonga an even more exciting place to live, please consider joining the Library Foundation or become a part of the Rancho Cucamonga Public Library Support Team.

The Rancho Cucamonga Library received the National Medal from the Institute of Museum and Library Services (IMLS); the most prestigious award given by the U.S. government to institutions that make significant and exceptional contributions to their communities.

The New Second Story Interactive Discovery Space

We have recently embarked on a journey to add the newest dimension to our Rancho Cucamonga Public Library. In 2017 initial improvements were made to prepare for our new Second Story Interactive Discovery Space. This space will be used to create interactive exhibits and programs offering visitors of all ages the opportunity to grow through play, discovery, imagination and creativity.

The Library Foundation has committed to raising \$1.5M for the Second Story capital campaign. These funds will help support the development and creation of 6,500 square feet of exhibits and programs.

In addition to exciting and innovative rotating exhibits, the Library will offer ongoing activities in the new Second Story STEM Lab (Science, Technology, Engineering and Math) such as robotics, 3D printing, video game design, space exploration, physics/gravity and much more!

HOW TO BECOME INVOLVED

The following are just a few of the many ways you can become a part of the Rancho Cucamonga Library support team.

- Become a Foundation Board Member
- Assist with fundraising efforts for the Second Story Interactive Discovery Space
- Volunteer at one of the Foundation's Special Events
- Provide an Individual or Corporate Gift
- Ask us about donor naming opportunities

I am interested in helping the Rancho Cucamonga Library Foundation
